**A Special Request from the Pope**

After meeting some bishops from Ukraine, the Pope was so moved by the difficulties that they described to him that he made a public request for every church in Europe to have a special collection to help the displaced and homeless in that country. The Pope has pledged to send money from his own charity but has also asked us to join with him in supporting desperately needy people. The money will be used by aid agencies already working in Ukraine. The request came by letter just this week and asked us to take up a collection this Sunday. Clearly no-one has notice of the collection but we will take it up anyway as our SECOND collection today. If you do not have money with you and still want to contribute, you can drop it through the parish house door before FRIDAY of this week when we will send the funds collected as our gift to the Pope.
